## INSTITUTE OF INSURANCE & BANKING - FINANCE

### National Institute of Securities Market (NISM)

A National Institute of Securities Markets administers Certification examinations and Continuing Professional Education programs as per SEBI (Certification of Associated Persons in Securities Markets) Regulation 2007. NISM develops / approves content for various modules as per test objectives for the examination / Continuing Professional Education programs. Similarly, NISM also develops examinations for respective modules. NISM does not provide any training, for preparation of examinations, directly or indirectly to participants who desire to appear for NISM examinations.

NISM also held online exam through NSEIT which complete Online Examination Services that enables its customers to have a smooth examination experience . With years of experience in the business of conducting high stake exams NSEIT has built a secure and efficient Test Engine with various services integrated as part of the service offerings to provide a complete package.

IIBF - Institute of Insurance and Banking-Finance, is an educational initiative by M-Online (An ISO 9001:2008 Reg) with the vision of training and guiding students in obtaining the Certification in Securities Market conducted by NISM - National Institute in Financial Market, NCFM - NSE's Certification In Financial Market, MCCP - MCX's Certified Commodity Professional, IRI - Insurance Institute of India with add to their knowledge-base and enhance their credibility in "INSURANCE, SHARE MARKET, MUTUAL FUND and BANKING & FINANCIAL SECTOR"

## About NISM

National Institute of Securities Markets (NISM) is a public trust, established by the Securities and Exchange Board of India (SEBI), the regulator for securities markets in India. NISM seeks to add to market quality through educational initiatives. NISM consists of six schools to effectively cater to its diverse target audience in the area of Certification of Intermediaries, Regulatory Studies, Securities Education, Financial Literacy and Corporate Governance.

## About NISM Certification Examination

The School for Certification of Intermediaries (SCI) at NISM is engaged in developing Certification Examinations for professionals employed in various segments of the Indian securities markets. These examinations are being developed by NISM as mandated under SEBI (Certification of Associated Persons in the Securities Markets) Regulation, 2007. Presently, these examinations are delivered through various Test Administrators appointed by NISM in more than 150 cities across India.

## NISM Test Administrators

## About CPE

On expiry of the validity of the certificate possessed by an associated person, the certificate shall be revalidated, provided the associated person either successfully completes a programme of Continuing Professional Education as may be specified by NISM during 12 months preceding the date of expiry of the certificate, or passes the relevant NISM Certification Examination before the expiry of the existing certificate.
