NSE ACADEMY'S Certification in Financial Markets (NCFM)

A critical element of the financial sector reforms is the development of a pool of human resources having right skills and expertise in each segment of the industry to provide quality intermediation to market participants.

Our NSE Academy Certification in Financial Markets, or NCFM, program is an online testing and certification program that tests the practical knowledge and skills required to operate in the financial markets. The NCFM program operates on our intranet and is administered through our designated test centers located across India.

NSEIT offers complete Online Examination Services that enables its customers to have a smooth examination experience. With years of experience in the business of conducting high stake exams NSEIT has built a secure and efficient Test Engine with various services integrated as part of the service offerings to provide a complete package.
